NOTICE OF CLOSURE
FOR
ADMINISTRATIVE ORDER
No. WMD 03-04

February 19, 2004

The Department of Environmental Services, Waste Management Division ("DES") issued Administrative Order No. WMD 03-04, dated January 10, 2003 ("the Order") to Agfa Corporation ("Agfa") based on violations of RSA 147-A and Env-Wm 100-1000. On October 28, 2003, Agfa submitted to DES a Declassification Request notifying DES that Agfa had ceased its hazardous waste activities at the Hudson, NH facility. Based upon a review of Agfa's submittals (including the Declassification Request), and a November 7, 2003 follow-up inspection by DES personnel, DES has determined that Agfa is no longer an active generator of hazardous waste in New Hampshire. As a result of the company no longer doing business in New Hampshire there are no outstanding hazardous waste compliance issues. Based on these facts, DES issues this Notice of Closure for the Order.
